Re: *Dominick R. Pilla, Architecture-Engineering P.C. v. Orly Gilat, et al.*
No. 7:19-cv-2255

Dear Judge Karas:

This firm represents Dominick R. Pilla Architecture-Engineering P.C. d/b/a Dominick R. Pilla Associates, PC, DRPILLA Associates, PC, DRPILLA Consulting Engineers, and/or Dominick R. Pilla (“DRP”). We write to respectfully request a modification of the summary judgment briefing schedule. The reason for this request is the undersigned unexpectedly heavy workload, including having multiple sets of motion papers due over the previous week and the week following the Fourth of July holiday weekend (including another set of opposition papers to a summary judgment motion due on July 9, 2021—the same day DRP’s opposition papers are due in this case). Therefore, counsel for DRP respectfully requests the briefing schedule be modified as follows:

Event	Current Deadline	Proposed Deadline
Opposition to motion for summary judgment	July 9, 2021	July 30, 2021
Reply in further support of motion for summary judgment	July 23, 2021	August 20, 2021

Counsel for Defendants has consented to the request for an adjournment and suggested the above proposed dates. This is DRP’s first request for an extension of the summary judgment briefing schedule, and briefing will be completed before the parties’ mediation, which is scheduled to occur on September 2, 2021.

Honorable Kenneth M. Karas
